Information based on Excel spreadsheets submitted by the regional centers. Medicaid eligibility determined by the MEIS system on DMH data warehouse. Only those who have been deemed eligible in the last six months, have been included in the Medicaid counts.

In addition, there are 762 individuals/families who have long term planning needs that include residential services.

In Home Services -- Waiting lists are maintained for requests for services. One individual may have a request for several services on the wait list. For this list, we want to portray the number of people on the wait list for in home services, so we have only included the highest scoring service for each person. This list does not reflect the total of all in home services on the wait list.
